THE EXPERIENCE: Scenic New Paltz and rustic Rosendale provide the backdrop for the New Paltz Challenge Half Marathon, which follows the scenic and shaded Walkkill Valley Rail Trail. Start in the quaint village of New Paltz, head out past the stone houses of the Huguenot Street Historic District, and then ease down a beautiful carriage trail in the shadow of the Shawangunk Ridge. Take in country farms, cedar woods and a wide, secluded footbridge over the Walkkill River. After enjoying picture-perfect views of the country, head back to the quaint village of New Paltz and cross the finish line beside the Gilded Otter, a brew pub that opens at noon.

THE COURSE: The half-marathon and the 5K are trail races that start and end with a short stretch (about a third of a mile) on pavement. To see the beautiful rail trail, please click here: http://www.wvrta.org/Photo_Gallery.php
